

Sunrise Drive Musical!

Sunrise presents a K-5 children's musical in the spring. It is an exciting opportunity. Studies have shown that students involved in music and theater develop better cognitive skills, exhibit higher self-esteem, build collaborative and social skills, and display better study habits. Students have to master diverse skills in order to create a musical. Plus it's fun! Auditions occur in January and the show is presented in April. Be on the lookout for information after Winter Break.

Please email Mrs. Ratliff (tratliff@cfsd16.org) with any questions and/or your interest in participating in this exciting opportunity!
